

# Whistle Down The Wind

Sarah Brightman

Whistle down the wind  
Let your voices carry  
Drown out all the rain  
Light a patch of darkness  
Treacherous and scary

Howl at the stars  
Whisper when you're sleepy  
I'll be there to hold you  
I'll be there to stop  
The chills and all the weeping

Make it clear and strong  
So the whole night long  
Every signal that you send  
Until the very end  
I will not abandon you my precious friend

So try and stand the tide  
Then you'll raise a banner  
Send a flare up in the sky  
Try to burn a torch  
And try to build a bonfire

Every signal that you send  
Until the very end, I'm there  
So whistle down the wind  
For I have always been, right there

Howl at the stars  
Whisper when you're sleepy  
I'll be there to hold you  
I'll be there to stop  
The chills and all the weeping

Make it clear and strong  
So the whole night long  
Every signal that you send  
Until the very end  
I will not abandon you my precious friend

So Whistle down the wind  
Let your voices carry  
Drown out all the rain  
Light a patch of darkness  
Treacherous and scary

Every signal that you send  
Until the very end, I'm there  
So whistle down the wind  
For I have always been, right there
