

## Winter Light

Sarah Brightman

Hearts call  
Hearts fall  
Swallowed in the rain

Who knows  
Life grows  
Hollow and so vain

Wandering in the winter light  
The wicked and the sane  
Bear witness to salvation  
And life starts over again

Now the clear sky is all around you  
Aah aah  
Love's shadow will surround you  
All through the night

Star glowing in the twilight  
Tell me true  
Hope whispers and I will follow  
'Till you love me too

Ah ah ah

Now the clear sky is all around you  
Aah aah  
Love's shadow will surround you  
All through the night

Star glowing in the twilight  
Tell me true  
Hope whispers and I will follow  
'Till you love me too
