

From Sarah With Love

Sarah Connor

For so many years we were friends
And yes I always knew what we could do
But so many tears in the rain
Felt the night you said
That love had come to you

I thought you were not my kind
I thought that I could never feel for you
The passion and love you were feeling
And so you left
For someone new

And now that you're far and away
I'm sending a letter today

From Sarah with Love
She'd got her lover she is dreaming of
She never found the words to say
But I mi know that today
she's gonna send her letter to you

From Sarah with Love
She took your pictute to the stars above
And they told her it is true

She could dare to fall in love you
So don't make her blue when she
writes to you
From Sarah with Love

So maybe the chance for romance
Is like a train to catch before it's gone
And I'll keep on waiting and dreaming
You're strong enough
To understand

As long as you're so far and away
I'm sending a letter each day
From Sarah with Love

She'd got her lover she is dreaming of
She never found the words to say
but I know that today
She's gonna send her letter to you
From Sarah with Love

She's gotta know what you are thinking of
'cause every little now and then
And again and again
I know her heart cries out for you
From Sarah with Love

She'd never got the lover she is dreaming of
Never found- words to say, ahh
But today, but today...
From Sarah with Love

She took your picture to the stars above
And they told her it is true
She could dare to fall in love with you
So don't make her blue when she
writes to you

From Sarah with Love
So don't make me blue when
I write to you
