

In My House

Sarah Connor

Boy, you can just best believe
I'm the only girl in your life
I'll be your sugar in the morning
And the sweet stuff you need at night
And you can just best believe
When it come down to makin' love
I'll satisfy you every need
And every fantasy you think of

So when you need a little piece of mind
Come on over, boy, any time
I'll keep you happy and so satisfy
In my house, my house

Boy, any time, day or night
When you call me, I will be there
Just call me up on the phone
When you need someone around to care
And when you feel sad and blue
You just come and see me anytime
I'll kiss away all your tears
And your fears you can leave behind

So when you need a little piece of mind
Come on over, boy, any time
I'll keep you happy and so satisfy
In my house, my house
So when you need some love and tenderness
And it's me, baby that you miss
Here's the key to unlock the door
to my house, my house
