

Living To Love You

Sarah Connor

1. All we had was just one summer,
two lovers strolling in the park,
but like they say, the world keeps turning,
as the leaves were falling,
we should fall apart.

2. Now I'm waiting for the winter,
to build my castle out of ice,
and deep inside this massive building,
there's a crystal lake,
of all the tears I've cried.

R: Baby for all my life,
don't you know that it's true,
I'm living to love you,
so Baby don't think twice,
if you feel what I feel,
trust your heart and do what I do,
cause I'm living to love you,
I'm living to love you.

3. When you're gone it's not forever,
'cause you're remaining in my heart,
so tell me why i feel this aching,
every time I think of you,
when we're apart.

R: Baby for all my life,
don't you know that it's true,
I'm living to love you,
so Baby don't think twice,
if you feel what I feel,
trust your heart and do what I do,
I'm living to love you, yes.

*: I admit that from time to time,
I'm feeling insecure and think I'm gonna lose my mind,
don't let it show, no, oh no no no noo no!
I don't think I'll ever understand,
that our love should never have a happy end,
so I'm really gonna try my best,
to let you know... (to let you know, whoooa...)

R: Baby for all my life,
don't you know that it's true (I've been knowing it's true),
I'm living to love you (I've been living to love you),
so Baby don't think twice,
if you feel what I feel,
trust your heart, do what I do.

4. When the final day comes,
I know the angels, they will see my smile,
and if they wanna know the reason,
I will tell them why...

R: Baby for all my life, ooh yes,
I'm living to love you
