One Day I'll Fly Away

Sarah Connor

I make it alone When love is gone Still you made your mark Here in my heart

One day I'll fly away Leave your love to yesterday What more can your love do for me When will love be through with me

I follow the night Can't stand the light When will I begin My life again

One day I'll fly away Leave your love to yesterday What more can your love do for me When will love be through with me Why live life from dream to dream And dread the day When dreaming ends

One day I'll fly away Leave your love to yesterday What more can your love do for me When will love be through with me Why live life from dream to dream And dread the day When dreaming ends
