

## Part Time Love

Sarah Connor

I need somebody  
Who's consistent with me  
Someone already there  
When I need company  
'Cause when I'm feelin' low  
I don't wanna have to go out lookin'  
For a part time kinda love

And when the dreams and rainbows start to disappear  
I don't want somebody up and runnin' out of here  
And when you stop and start  
Baby it's a just too hard upon my heart  
That part time kind of love

I can't take it darling  
Livin' here and waitin' see  
I want somebody who's committed now to me  
Somewhere, somewhere  
Someday, someday you've got to take a chance  
If you like the music baby  
Get up and dance

If we go together daring to dream  
I know we're gonna find our share of peaches and cream  
And when the juices flow  
I don't want to know no no excuses  
Just want your full time love for me  
I can't take it darling  
Livin' here and waitin' see  
I want somebody who's committed now to me  
Just me, yeah, yeah  
Somewhere, somewhere  
Someday, someday you've got to take a chance  
If you like the music baby  
Get up and dance

If we go together daring to dream  
I know we're gonna find our share of peaches and cream  
And when the juices flow  
I don't want to know no no excuses  
Just want your full time love for me

Just want your full time love for me  
Your full time love for me
