

Rodeo

Sarah Connor

Down - every street
There is a chea - ea- eat
He's lookin' at me
"Isn't she swee - ee - eet"

I ain't afraid
I know their little knife's a
Way to create
A front' couse this life's a

Rodeo! Here we go!
Saddle up c'mon, I'm ready for a ride!
Rodeo! Bring it, yo...
From the break of day
Until the fall of night
Here we go! Rodeo!
Eh oh eh oh oh x3
I`m on the Rodeo
Eh oh eh oh oh x3
I`m on the Rodeo

Once - I'm in a crowd
I'm gonna wow - ow -ow...
I'm gonna get loud
Showin' 'em how -ow-ow

I ain't afraid
I know their little knife's a
Way to create
A front' couse this life's a

Rodeo! Here we go!
Saddle up c'mon, I'm ready for a ride!
Rodeo! Bring it, yo...
From the break of day
Until the fall of night
Here we go! Rodeo!
Eh oh eh oh oh x3
I`m on the Rodeo
Eh oh eh oh oh x3
I`m on the Rodeo

Mid-8
Pushin' my luck
To the brink, gonna buck...
Ain't gonna shake me

Strike or be struck, in the blood
And for what?
Ain't gonna break me, break me!

Rodeo! Here we go!
Saddle up c'mon, I'm ready for a ride!
Rodeo! Bring it, yo...
From the break of day
Until the fall of night
Here we go! Rodeo!

Eh oh eh oh oh x3
I`m on the Rodeo
Eh oh eh oh oh x3
I`m on the Rodeo
