That Girl

Sarah Connor

Are you talkin' about me? You're talkin' trash! [verse 1] Red carpet rollin', pockets are swollen Still got my friends, and with them I be flowin' Rockin' don't stoppin' and shoppin' Still comin' on strong, I'll be flossin' This one's just for you I'm takin' it to level 2 Tell me why you're talkin' trash [chorus] They talk about that girl on the scene, Flossin' that gucci on TV - ahha That girl with the car 20" (inch) rims on da jaquar- ahha That girl on da show Flippin' that bird just like a pro - ah ha That girl, that girl [verse 2] I take things step by step Until there's nothing left But the top and it don't stop When I sign off, I can hear the beat drop No matter what I do, I can't do right by you You can chit chat the chadder but it don't matter This is 4 you [bridge] I will be shining, you'll be cryin' You don't wanna (f***) front with me On Viva and on MTV I'm gonna still be me And I will be shinin' you'll be dyin' You don't wanna (f***) front with me Toe to toe on MTV I'm gonna still be me
