

Can't Call Love

Sarah Darling

You think it's over,
But it's not over,
'Til it's over in your heart.
I thought I'd see it,
See it coming,
See my future fall apart.

Well I had to do,
What I had to do,
To get over you,
To move on.
I had to find a place,
Where I could forget your face,
Where I could finally say this is wrong.

You aren't who I thought you were,
I don't think you're over her.
We had a lot,
But not enough,
And what was left you can't call love,
As much as I thought it was.

It hurts to say it,
We almost made it.
But almost isn't good enough.
I feel like dying,
But you won't see me crying,
I'm just trying to be tough.

Well I had to do,
What I had to do,
To get over you,
To move on.
I had to find a place,
Where I could forget your face,
Where I could finally say this is wrong.

You aren't who I thought you were,
I don't think you're over her.
We had a lot,
But not enough,
And what was left you can't call love,
As much as I thought it was.
