

# I Never Do What I Should

Sarah Darling

I don't mean to criticize,  
And I can't even tell you why,  
But every word you say is a lie.  
I still have a broken heart,  
The thought of you I fall apart,  
It's too soon for me to even try.  
I know you know me,  
Your voice makes me weak.

I should call my mama even though it's late,  
She'll tell me what I don't wanna hear.  
I should call my best friend for my own sake,  
She was with me though all of my tears.  
I shouldn't call you back for my own good,  
But I never do what I should.

Every time I close the door,  
Then I forget the time before,  
You turn around and hurt me even more.  
What's it gonna take for me,  
To open up my eyes and see,  
That I just shouldn't love you anymore.  
But that day hasn't come,  
The damage is already done.

I should call my mama even though it's late,  
She'll tell me what I don't wanna hear.  
I should call my best friend for my own sake,  
She was with me though all of my tears.  
I shouldn't call you back for my own good,  
But I never do what I should.

I should've learned the last time,  
I should've learned the time before that.  
Maybe I'll learn this time,  
But it's too late for that.

I should call my mama even though it's late,  
She'll tell me what I don't wanna hear.  
I should call my best friend for my own sake,  
She was with me though all of my tears.  
I shouldn't call you back for my own good,  
But I never do what I should.
