Some people say
Love is pain
But I know better
Cuz you
Have made
This heart
Light as a feather
Out of nowhere
Baby it's there

Every time you walk in to the room
Butterflies dance and it's hard to move
Guess I never knew I could feel this way
When someone feels like Sunday morning
It just hits you without warning
But somehow you know you'll never be the same
Cuz you make me believe
And I want to thank you for loving me

Some people try
Their whole life
To find what we have found
Baby we're blessed
Charmed I guess
To be living this life now
It's a beautiful world
Just being your girl

Every time you walk in to the room
Butterflies dance and it's hard to move
Guess I never knew I could feel this way
When someone feels like Sunday morning
It just hits you without warning
But somehow you know you'll never be the same
Cuz you make me believe
And I want to thank you for loving me

Yeah yeah

It's a beautiful world
Just being your girl

Every time you walk in to the room
Butterflies dance and it's hard to move
Guess I never knew I could feel this way
When someone feels like Sunday morning
It just hits you without warning
But somehow you know you'll never be the same
Cuz you make me believe

And I want to thank you for loving me
