

Lioness

Sarah Fimm

Like a Lioness

I'd like to get to know you
Let's take off our clothes
And Get Close.

There.

And how about I circle you
Like a Lioness.
Licking her paws
Use your hands.
Discover Me.

One kiss could lead us to Bliss.

Oh I love it when you go down
and I get wet
And fall apart
You inspire me.

One kiss could lead us to Bliss
