

## Lioness

Sarah Fimm

Like a Lioness

I'd like to get to know you  
Let's take off our clothes  
And Get Close.

There.

And how about I circle you  
Like a Lioness.  
Licking her paws  
Use your hands.  
Discover Me.

One kiss could lead us to Bliss.

Oh I love it when you go down  
and I get wet  
And fall apart  
You inspire me.

One kiss could lead us to Bliss
