Before I Fall in Love

Sarah Geronimo

My heart says we've got something real
Can I trust the way I feel
'cause my heart's been fooled before
Am I just seeing what I want to see
Or is it true could you really be

Someone to have and hold
With all my heart and soul
I need to know before I fall in love
Someone who'll stay around
Through all my ups and downs
Please tell me now before I fall in love

I'm at the point of no return
So afraid of getting bumed
But I want to take a chance
Please give me a reason to believe
Say that you're the one that you'll always be

It's been so hard for me to give my heart away
But I would give my everything
Just to hear you say (you're)
