

# How Could You Say You Love Me

Sarah Geronimo

You say, that you've always been true  
Lookin' in your eyes, I see you lie  
You're trying hard to hide that  
There someone new you found and,  
You want me to believe that you still care

How can you hurt me this way  
Everything I knew was lovin' you  
How could you try pretending  
Your love was never ending  
Now you can't even say that you will stay

How, how could you say you love me  
When you would go and leave me  
How could you make me hurt so bad  
When I have loved you more than anyone can do  
Can't believe the pain  
That I'm feeling now because of loving you

I can't seem to understand  
How can love me so unkind  
Still you broke my heart  
Despite what I've done  
Still my love was not enough  
Though I given you my all  
I can't take it anymore
