

# I'm Sorry

Sarah Geronimo

How many times have you walked out the door  
How many times have you told me before  
How many times have you made me cry once more  
and all you have to say was I'm Sorry

How many times have you left with no trails  
how many times have you lied to my face  
how many times have you done me disgrace  
and all you have to say was I'm Sorry

And now you're coming back to me  
And all you have to say is I'm Sorry  
The same old story can't you see  
And all you have to say is I'm Sorry  
I guess the greatest tirony  
It's time to give you my apology  
We're done and now it's history  
and all i have to say is I'm Sorry

How many times have I planned  
How many times have I gathered my wits  
How many times have I wanted to quit  
and all you have to say was I'm Sorry

And now you're coming back to me  
And all you have to say is I'm Sorry  
The same old story can't you see  
And all you have to say is I'm Sorry  
I guess the greatest tirony  
It's time to give you my apology  
We're done and now it's history  
and all i have to say is I'm Sorry

I want to let you know  
I want to let you go  
how many times I've gotten tired with your lies  
I'd rather have you out of my life

And now you're coming back to me  
And all you have to say is I'm Sorry  
The same old story can't you see  
And all you have to say is I'm Sorry  
I guess the greatest tirony  
It's time to give you my apology  
We're done and now it's history  
and all i have to say is I'm Sorry  
I'm Sorry
