

# I Want to Know What Love Is

Sarah Geronimo

Gotta take a little time  
A little time to think things over  
Better read between the lines  
In case I need it when I'm older, ooh yeah...

This mountain I must climb  
Is like the world upon my shoulders  
Through the clouds I see love shine  
It keeps me warm as life grow colder

In my life, there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've travelled so far  
To change this lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me, yeah...

Gonna take a little time  
A little time to look around me  
Got nowhere left to hide  
Looks like love has finally found me

In my life, there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've travelled so far  
To change this lonely life

I wanna know what love is  
I want you to show me  
I wanna feel what love is  
I know you can show me, yeah...

Lord help me to be strong  
On trhis road I travel on  
When I'm lost and lonely find me  
My journey's just begun  
And I'm not the only one  
Cause I wanna know  
I wanna know  
I wanna know...

I wanna know what love is  
(Yes I've found out)  
I want you to show me  
(Show me baby....)  
I wanna feel what love is  
I know you can show me  
(Yeah...)

I wanna know what love is  
(I wanna know what love is)  
I want you to show me  
(Show me baby...)  
I wanna feel what love is

(Give me your love, you somebody)  
I know you can show me

I wanna know what love is  
(I wanna know...)  
I want you to show me...
