

You've Got A Friend

Sarah Geronimo

When you're down and troubled
And you need some loving care
And nothing, oh, nothing is going right
Close your eyes and think of me and soon I will be there
To brighten up even your darkest nights

You just call out my name,
And you know wherever I am
I'll come running to see you again
(Don't you know that) Winter, spring, summer or fall, all you gotta do is call
And I'll be there, yes I will
You've got a friend

If the sky above you, should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together
And call my name out loud now
Soon you'll hear me knocking upon your door

You just call out my name,
And you know wherever I am
I'll come running to see you again
(Don't you know that) Winter, spring, summer or fall, all you gotta do is call
And I'll be there, yes I will
You've got a friend

Hey ain't it good to know that
You've got a friend When people can be so cold
They'll hurt you and dessert you
And take your soul if you let them
Don't you let them

You just call out my name,
And you know wherever I am
I'll come running to see you again
(Don't you know that) Winter, spring, summer or fall, all you gotta do is call
And I'll be there, yes I will
You've got a friend

Ain't it good to know, you've got a friend
Ain't it good to know, you've got a friend
You've got a friend...

Ain't it good to know
Ain't it good to know
Ain't it good to know
Ain't it good to know
You've got a friend
You've got a friend
You've got a friend
