

## A Sucker For Your Marketing

Sarah Jaffe

Whatever you put out I'm gonna buy it  
So what's your latest? I wanna try it  
Are you still in love?  
Are you over it again?  
When the damn thing grows old with no intent  
When it's wild to see  
Spread its disease  
When the comfort grew  
To a deepest blue  
And the way truth came  
On its own time  
When it did it came  
Before you realized  
This was sad  
This was sad  
This was sad  
This was sad
