## **Stay With Me**

You say go, I'll go If you wanted to take it slow We'll take it slow Put your hands over my eyes I'm happy to be blind

I'll be damned It's happening again In minutes we'll see ourselves In a whole new light And pieces from our shelves Will take flight

Please stay with me Stay with me You say go, I'll go If you wanted to take it slow We'll take it slow Put your hands over my eyes I'm happy to be blind

I'll be damned It's happening again In minutes we'll see ourselves In a whole new light And pieces from our shelves Will take flight

Please stay with me Stay with me
