

# Come On Up To The House

Sarah Jarosz

Well the moon is broken and the sky is cracked  
Come on up to the house  
The only things that you can see is all that you lack  
Come on up to the house

All your crying don't do you no good  
Come on up to the house  
Come down off your cross we could use the wood  
Come on up to the house

You got to come on up to the house  
Come on up to the house  
The world is not my home I'm just passing through  
Come on up to the house

There's no light in the tunnel, no irons in the fire  
Come on up to the house  
And you're singin' lead soprano in the junkman's choir  
Come on up to the house  
Don't life seem nasty, brutish and short  
Come on up to the house  
Well the seas are stormy you can't find no port  
Come on up to the house

Yeah, you got to come on up to the house  
Come on up to the house  
The world is not my home I'm just passing through  
Come on up to the house

There's nothin' in the world that you can do  
Come on up to the house  
You've been whipped by the forces that are inside of you  
Come on up to the house  
Well you're high on top of the mountain of woe  
Come on up to the house  
And you know you should surrender but you can't let go  
Come on up to the house

You got to come on up to the house  
Come on up to the house  
The world is not my home I'm just passing through  
Come on up to the house

Yeah, you got to come on up to the house  
Come on up to the house  
The world is not my home I'm just passing through  
Come on up to the house
