

## My Muse

Sarah Jarosz

I spin around in your love  
In a place of wonder  
I want to wander  
With you, my muse

In a dream of carousels  
On waves in caravels  
Collecting seashells  
For you, my muse

I peruse and conjure  
Sit and ponder  
Then go under  
The blanket of your words  
The way I feel  
The things I sing  
The songs I write  
The joy you bring  
To me my muse

Stillness surrounds me  
But you have found me  
And I have found you  
My muse

In a night of silence  
I'm settled by your sounds  
In a dream of quiet  
Contentedness surrounds

I peruse and conjure  
Sit and ponder  
Then go under  
The blanket of your words  
The way I feel  
The things I sing  
The songs I write  
The joy you bring  
To me my muse

Delightfully exhausted  
Willingly this way  
Always yours, always yours I'll stay  
With you, my muse
