

Tell Me True

Sarah Jarosz

Do you think of me the way I think of you?
Do you hope for things most likely won't come true?
Do you dream of me like I dream of you?
Tell me darlin' please, tell me true
Tell me darlin' please, tell me true

Do you hum a little tune all day long?
Do you hear my name in the chorus of your song?
When you sing your song, does it make you feel brand new?
Tell me darlin' please, tell me true
Tell me darlin' please, tell me true

Do you wonder why we live and why we die?
Do you wonder why we laugh and why we cry?
Do you wonder why we dance and why we fall?
Tell me darlin', do you wonder these at all?
Tell me darlin', do you wonder these at all?

Like a child who can't go wait to go and play
I am waiting for love to come my way
Can we make this new love fit like an old shoe?
Tell me darlin' please, tell me true
Tell me darlin' please, tell me true
Tell me darlin' please, tell me true
