

Bring on the Wonder

Sarah McLachlan

I can't see the stars anymore living here
Let's go to the hills where the outlines are clear

Bring on the wonder
Bring on the song
I pushed you down deep in my soul for too long

I fell through the cracks at the end of our street
Let's go to the beach,
get the sand through our feet

Bring on the wonder
Bring on the song
I pushed you down deep in my soul for too long
Bring on the wonder
We got it all wrong
We pushed you down deep in our souls for too long

I don't have the time for a drink from the cup
Let's rest for a while 'til our souls catch us up

Bring on the wonder
Bring on the song
I pushed you down deep in my soul for too long
Bring on the wonder
We got it all wrong
We pushed you down deep in our souls, so hang on
Bring on the wonder
Bring on the song
I pushed you down deep in my soul for too long.
