

# Fallen

Sarah McLachlan

Heaven bent to take my hand  
And lead me through the fire  
Be the long awaited answer  
To a long and painful fight

Truth be told I've tried my best  
But somewhere along the way  
I got caught up in all there was to offer  
And the cost was so much more than I could bear

Though I've tried, I've fallen  
I have sunk so low  
I've messed up better  
I should know  
So don't come 'round here  
And tell me I told you so

We all begin with good intent  
Love was raw and young  
We believed that we could change ourselves  
The past can be undone

But we carry on our backs the burden time always reveals  
In the lonely light of morning  
In the wound that would not heal  
It's the bitter taste of losing everything, I've held so dear

I've fallen  
I have sunk so low  
I've messed up better  
I should know  
So don't come 'round here  
And tell me I told you so

Heaven bent to take my hand  
I have nowhere left to turn  
I've lost to those I thought were friends  
To everyone I know

Oh, they turned their heads embarrassed  
Pretend that they don't see  
But it's one missed step, you'll slip before you know it  
And there doesn't seem a way to be redeemed

Though I've tried, I've fallen  
I have sunk so low  
I've messed up better  
I should know  
So don't come 'round here  
And tell me I told you so, no

I've messed up better  
I should know  
But don't come 'round here  
And tell me I told you so
