Hey your glass is empty it's a hell of a long way home why don't you let me take you it's no good to go alone I never would have opened up but you seemed so real to me after all the bullshit I've heard it's refreshing not to see I don't have to pretend she doesn't expect it from me Don't tell me I haven't been good to you don't tell me I have never been there for you don't tell me why nothing is good enough Hey little girl would you like some candy your momma said that it's OK The door is open come on outside no I can't come out today it's not the wind that cracked your shoulder and threw you to the ground who's there that makes you so afraid you're shaken to the bone and I don't understand you deserve so much more than this So don't tell me why he's never been good to you don't tell me why he's never been there for you don't you know that why is simply not good enough so just let me try and I will be good to you just let me try and I will be there for you I'll show you why you're so much more than good enough...
