

## Hold On

Sarah McLachlan

Hold on  
Hold on to yourself  
for this is gonna hurt like hell  
Hold on  
Hold on to yourself  
you know that only time will tell  
What is it in me that refuses to believe  
this isn't easier than the real thing  
My love  
you know that you're my best friend  
you know I'd do anything for you  
my love  
let nothing come between us  
my love for you is strong and true  
Am I in heaven here or am I...  
at the crossroads I am standing  
So now you're sleeping peaceful  
I lie awake and pray  
that you'll be strong tomorrow and we'll  
see another day and we will praise it  
and love the light that brings a smile  
across your face  
Oh god if you're out there won't you hear me  
I know that we've never talked before  
oh god the man I love is leaving  
won't you take him when he comes to your door  
Am I in heaven here or am I in hell  
at the crossroads I am standing  
Now you're sleeping peaceful  
I lie awake and pray  
that you'll be strong tomorrow and we'll  
see another day and we will praise it  
and love the light that brings a smile  
across your face...  
Hold on  
hold on to yourself  
for this is gonna hurt like hell
