

Loving You Is Easy

Sarah McLachlan

Loving you is easy.
Loving you is wondrous and pure.
I shout it from the rooftops,
'How long must I wait 'til I see your smile'?
Might have been the moonlight,
Caught up in the sparkle in your eyes.
So wicked and I know I should go slow,
But it's not in me to wait,
Cause I'm alive.

And I'm on fire,
Shot like a starburst into the sky.
Oh the fury of desire, you burn so bright, you electrify
You light me up, you take me higher.

I've been down a long road,
And I'd become a stranger to myself,
Digging in my heels and hoping time might be kinder if I wait i
t out.
Nothing came from wanting, and I became so small and insecure.
Didn't know the cost of all I'd lost, 'til I found it fresh and
new, again,
with you.

And I'm on fire,
Shot like a starburst into the sky.
Oh the fury of desire, you burn so bright, you electrify
You light me up, you take me higher.

Loving you is easy
Loving you is wondrous and pure
I shout it from the rooftops
'How long must I wait 'til I see you smile?'
