

In the desert of my dreams I saw you there  
And I'm walking towards the water steaming body cold and bare  
But your words cut loose the fire and you left my soul to bleed  
And the pain that's in your truth's deceiving me, has got me sc  
ared  
Oh why?  
Through your eyes the strains of battle like a brooding storm  
Your up and down these pristine velvet walls like focus never f  
orms  
My walls are getting wider and my eyes are drawn astray  
I see you now a vague deception of a dying day  
Oh why?  
I fall into the water and once more I turn to you  
and the crowds were standing staring faceless cutting off my vi  
ew to you  
They start to limply flail their bodies in a twisted mime  
And I'm lost inside this tangled web in which I'm lain entwined  
You're gone and I'm lost inside this tangled web in which I'm l  
ain entwined  
Oh why?
