

In the desert of my dreams I saw you there And I'm walking towards the water steaming body cold and bare But your words cut loose the fire and you left my soul to bleed And the pain that's in your truth's deceiving me, has got me sc ared Oh why? Through your eyes the strains of battle like a brooding storm Your up and down these pristine velvet walls like focus never f orms My walls are getting wider and my eyes are drawn astray I see you now a vague deception of a dying day Oh why? I fall into the water and once more I turn to you and the crowds were standing staring faceless cutting off my vi ew to you They start to limply flail their bodies in a twisted mime And I'm lost inside this tangled web in which I'm lain entwined You're gone and I'm lost inside this tangled web in which I'm l ain entwined Oh why?
