In the desert of my dreams I saw you there

And I'm walking towards the water steaming body cold and bare But your words cut loose the fire and you left my soul to bleed And the pain that's in your truth's deceiving me, has got me sc ared

Oh why?

Through your eyes the strains of battle like a brooding storm Your up and down these pristine velvet walls like focus never forms

My walls are getting wider and my eyes are drawn astray I see you now a vague deception of a dying day Oh why?

I fall into the water and once more I turn to you and the crowds were standing staring faceless cutting off my view to you

They start to limply flail their bodies in a twisted mime And I'm lost inside this tangled web in which I'm lain entwined You're gone and I'm lost inside this tangled web in which I'm lain entwined

Oh why?
