

# World on Fire

Sarah McLachlan

Hearts are worn  
In these dark ages  
You're not alone,  
In these stories' pages  
The light has fallen  
Amongst the living and the dying  
And I'll try to hold it in  
Yeah I'll try to hold it in

The world is on fire  
It's more than I can handle  
I'll tap into the water  
Try and bring my share  
Try to bring more, more than I can handle  
Bring it to the table  
Bring what I am able ...

I watch the heavens  
But I find no calling  
Something I can do to change what's coming  
Stay close to me  
While the sky is falling  
I don't wanna be left alone,  
Don't want to be alone...

The world is on fire  
It's more than I can handle  
I'll tap into the water  
Try and bring my share  
Try to bring more, more than I can handle  
Bring it to the table  
Bring what I am able ...

Hearts break ... hearts mend ... love still hurts  
visions clash ... planes crash  
Still there's talk of saving souls  
Still the cold is closing in on us

We part the veil on our killer sun  
Stray from the straight line  
On this short run ...  
The more we take the less we become  
The fortune of one man means less for some

The world is on fire  
It's more than I can handle  
I'll tap into the water  
Try and bring my share  
Try to bring more, more than I can handle  
Bring it to the table  
Bring what I am able ...

The world is on fire  
It's more than I can handle  
I'll tap into the water  
Try and bring my share  
Try to bring more, more than I can handle

Bring it to the table  
Bring what I am able ...
