

## Climbing Up The Walls

Sarah Slean

I am the key to the lock in your house  
That keeps the toys in the basement  
And if you get too far inside  
You'll only see my reflection

I am her face when she sleeps tonight  
I am the pick in the ice  
Do not cry out or hit the alarm  
'Cause we are friends 'til we die

And any way you turn I'll be there  
Open up your skull I'll be there  
Climbing up the walls  
Climbing up the walls

It's always better when the light is off  
It's always best on the outside  
And in the crack of your waning smile  
Fifteen blows to your mind

Oh, so tuck the kids in safe tonight  
And shut the eyes in the cupboard  
Do not cry out or hit the alarm  
You'll get the loneliest feeling

That any way you turn I'll be there  
Open your skull I'll be there  
Climbing up the walls  
Climbing up the walls  
Climbing up the walls

I am the key to the lock in your house  
That keeps the toys in the basement  
And if you get too far inside  
You'll only see my reflection
