

## Just One Of Those Things

Sarah Vaughan

It was just one of those things  
Just one of those crazy things  
One of those bells  
That now and then rings  
Just one of those things

It was just one of those night  
Just one of those fabulous flights  
A trip to the moon  
On gossamer wings  
Just one of those things

If we'd thought a bit of the end of it  
When we started painting the town  
We'd have been aware that our love affair  
Was too hot not to cool down

So goodbye, dear, and amends  
Here's hoping we meet now and then  
'Cause it was great fun  
But it was just one of those things
