Send In The Clowns

Sarah Vaughan

Isn't it rich? Aren't we a pair? Me here at last on the ground You in midair Send in the clowns

Isn't it bliss? Don't you approve? One who keeps tearing around One who can't move Where are the clowns? Send in the clowns

Just when I stopped, I stopped openin' doors Finally knowin' the one that I really wanted was yours Making my entrance again and again with my usual flair Sure of my lines, no one is there

Don't you love farce? My fault I fear I thought that you'd want what I want Sorry, my dear But where are the clowns? Quick, send in the clowns Don't bother; they're here

Isn't it rich, isn't it queer? Losing my timing this late in my career And where are the clowns? They are all to be clowns Well, maybe next year, isn't it rich? I'll repair; isn't it rich?
