

## September In The Rain

Sarah Vaughan

The leaves of brown, came tumbling down,  
Remember  
that September, in the Rain.

The sun went out just like a dying ember  
that september  
in the rain.

Through every word of love I heard you whisper  
the raindrops seemed to play a sweet refrain.

Though spring is here to me its still September  
That September  
in the rain.
