Star Eyes

Sarah Vaughan

Star eyes, that to me is what your eyes are Soft as stars in April skies are Tell me someday you'll fulfill Their promise of a thrill

Star eyes, flashing eyes in which my hopes rise Let me show you where my heart lies Let me prove that it adores That lovingness of yours

All my life I felt content To stargaze at the skies Now I only want to melt The stardust in your eyes

Star eyes, when if ever will my lips know If it's me for whom those eyes glow Makes no difference where you are Your eyes still hold my wishing star Oh, star eyes, how lovely you are

All my life I felt content To stargaze at the skies Now I only want to melt The stardust in your eyes

Star eyes, when if ever will my lips know If it's me for whom those eyes glow Makes no difference where you are Your eyes still hold my wishing star Oh, star eyes, how lovely you are
