

Teach Me Tonight

Sarah Vaughan

Did you say , I've got a lot to learn?
Well don't think, I'm trying not to learn
Since this is the perfect spot to learn
Teach me tonight.

Starting with the ABC of it
Right down to the XYZ of it
Help me solve the mystery of it
Teach me tonight.

The sky's a blackboard high above you
If a shooting star goes by
I'll use that star to write „I love You”
A thousand times across the sky.

One thing isn't very clear, my love,
Should the teacher stand so near, my love ?
Graduation's almost here, my love,
Teach, teach, teach me tonight.

The sky's a blackboard high above you
If a shooting star goes by
I'll use that star to write „I love You”
A thousand times across the sky.

One thing isn't very clear, my love,
Should the teacher stand so near, my love ?
Graduation's almost here, my love,
Teach me tonight.
Graduation's almost here my love,
Teach me tonight !
Teach me, teach me tonight
