

# My World Changed

Sarah

Caught a train  
Grabbed a bite  
Got back up before  
It got light  
Every day was like the day before  
Until fate came knockin' on my door  
Then my world changed  
Then my world changed  
Then my world changed  
Since you showed up  
Nothing felt the same  
I was walking on sunshine

Didn't mind the rain  
Till the day nothing felt like before  
And I saw you knockin' on someone else's door  
Then my world changed  
Then my world changed  
Then my world changed  
How long did it take  
For me to understand  
But now I know  
It's up to me  
To make things change again  
Then my world changed  
Then my world changed  
Then my world changed
