

Desecration Of Virgin

Sarcófago

seven nights before
of sacred birthday
the lord make himself
present at virgin's home

demons suck your pussy
and fuck 'till delight
she isn't more virgin
because was fucked by satan

he put the virgin of four
fucking your ass hole
the orgy haven't stop
ejaculating on her mouth

she suck the hammer of satan
and reach the first orgasm
he breack laws of god
and prophane the mother of gods
