

## Ready To Fuck

Sarcófago

stand up to see  
my penetrator hammer  
he will make your dreams  
turn to reality

i will lick you  
of the feets 'till the head  
making you feel torrential orgasms

oh lady start to suck me  
because i'm ready  
i'm ready to fuck

stan up to feel  
my machine of delight  
he will make your reality turn to a dream
