

Satanas

Sarcófago

on fire of darkness
rise a scream of hate
satanas want vomit
on jesus christ's face
your eyes have wrath
and promiscing a slaughter
the angels of lucifer
are ready to destroy

satanas

satanas revenge is started
and the heaven is burning
god angels are deads
and the survivors are praying
the sacred cross is breacked
and demons are smyling
because your lord satanas
raped the mother of christ
