Blind

I can show the essence of a void I'll find symmetry in empty rooms Brought down to the deepest one of all Underestimated life on a daily basis

Here I stand, wearing out my innocence Feeling torn but bound and lifeless I'm my greatest enemy

Burn fire burn Light my solitude within Make me blind to the world Cast my shadow on the past

Show me all your doubts, let me enjoy Let me know what masters (are) all about Teach me how to smile for just one day What you can't remember was never for real

Here I stand, wearing out my innocence Feeling torn but bound and lifeless I'm my greatest enemy

Burn fire burn Light my solitude within Make me blind to the world Cast my shadow on the past

Show me all your doubts Teach me how to smile For just one day Sarea
