

This Is My Life

Sarina Paris

This is my life
Ooooh
What should I change it for
This is my life
Ooooh
can't you just leave me alone
This is my life
Ooooh
So why should I end it all
This is my life
Ooooh
Why should i ask for more

Why don't you stay
Again you tell me you love me so
Don't go away
You shout and I'm just gone
And if I remain
No one can be enough to you
I look in your eyes
I know you shall be strong

I stay by myself
It's like you're lost in memories
But moments are there
They never will be gone
But if I remain
How can we grow together now
Sit down for a while and touch my hand again

I stay by myself
It's like you're lost in memories
But moments are there
They never will be gone
But if I remain
How can we grow together now
Sit down for a while and touch my hand again
