

# This Is My Life

Sarina Paris

This is my life  
Ooooh  
What should I change it for  
This is my life  
Ooooh  
can't you just leave me alone  
This is my life  
Ooooh  
So why should I end it all  
This is my life  
Ooooh  
Why should i ask for more

Why don't you stay  
Again you tell me you love me so  
Don't go away  
You shout and I'm just gone  
And if I remain  
No one can be enough to you  
I look in your eyes  
I know you shall be strong

I stay by myself  
It's like you're lost in memories  
But moments are there  
They never will be gone  
But if I remain  
How can we grow together now  
Sit down for a while and touch my hand again

I stay by myself  
It's like you're lost in memories  
But moments are there  
They never will be gone  
But if I remain  
How can we grow together now  
Sit down for a while and touch my hand again
