

The Trip

Sash!

Aah, aah, aah, aah
This is a trip, a game that we play
Looking for meaning, drifting away
Music's my language, and all I can say
Is that you are the one who takes me away

Takes me away, takes me away, takes me away,
Takes me away, takes me away

Aah, aah, aah, aah

(Finnish)

Takes me away

(Finnish)

Takes me away

(Finnish)

Aah, aah, aah, aah

Takes me away
