

No time's running but I just can't stand the pain
Girl I'm leaving you tomorrow
Seems to me girl you know what and all I can
You see a back stole and I borrow

It's I'm easy
I'm easy like Sunday morning
It's I'm easy
I'm easy like Sunday morning

The wonder world would anybody put chance on me
I've paid my dues to make it
Everybody wants me to be what I want me to be
No I'm not happy when I try to fake it, no - ooh!

It's I'm easy
I'm easy like Sunday morning
It's I'm easy
I'm easy like Sunday morning

I wanna be high, so high
I wanna be free and all the things, are u alright?
I wanna be free, just me

It's I'm easy
I'm easy like Sunday morning
It's I'm easy
I'm easy like Sunday morning
