

Owner of My Heart

Sasha

If you think I've let you down
Tried to fool you, there's no need to
If you think I've played around
Why do you worry? You should know me

I've been true, right from the start
You're the owner of my heart

If you look straight in my eyes
You will know I'm not pretending
I don't hide, there's no disguise
Why you doubt me? That's a strange thing

I've been true, right from the start
You're the owner of my heart

I can't just stand by watching you walk away
Knowing you still belong with me, close by my side
You think I don't care but forever, I swear
Ooh, my love has grown stronger and that I can't hide

I've been true right from the start
You're the owner of my heart
Oh, I've been true right from the start
You're the owner of my heart

Oh, oh, oh, no one can tell me 'cause I know for sure
When I'm not with you, baby, I feel I'm wasting my time
I'll do anything that you want me to do
Ooh, just call out my name, can't ya give me a sign, give me a sign, oh?

If you just give me some time to convince you
We can pull through
Let me see what's on your mind
I won't change you, I don't have to

I've been true right from the start
Oh, you're the owner of my heart
I've been true right from the start
You're the owner of my heart
I've been true right from the start
You're the owner of my heart
