

## Why Did You Call

Sasha

I use to - love you  
Shame on - me 'cause  
All my desperate thoughts are still  
Revolving around you

You said - you go  
And then you - left me here  
And without a single doubt  
This was forever

So why did you call me - late last night?  
Do I deserve you - wasting my time?  
Hope you enjoyed watching my fall  
So why did you call - at all, at all?

Well, I'm not - stupid  
Or lovesick - anymore  
I'm much closer than you know  
Trying to get over you

So why did you call me - late last night?  
Do I deserve you - wasting my time?  
Hope you enjoyed watching my fall  
So why did you call - at all?  
Hello  
That's what you said when you rang me outta bed  
Hello, hello  
That's more than enough to know I'm not so tough  
After all

Why did you call me - late last night?  
Do I deserve you - wasting my time?  
Hope you enjoyed watching my fall  
So why did you call - at all?
